Dear Mr. Bombard:

As stated in my January letter and in the materials provided with that letter, you do not have a General Motors Dealer Sales and Service Agreement for Chevrolet. You do, however, have unclaimed wind down funds available upon completion of a number of outstanding requirements. I will be able to provide you a list of the remaining issues that must be resolved in order to receive the remainder of your wind down payment when I return to the office next week.
